LEARN ABOUT
RIU HOTELS & RESORTS

RIU Hotels & Resorts was founded in Mallorca, Spain, in 1953, as a small family holiday business by the Riu family, the original and current owner, now in its third generation. The company specialises in the holiday hotel trade, and 75% of its establishments offer RIU's recognised all-inclusive service. With the launch of its first city hotel in 2010, RIU expanded its product range with its own line of urban hotels, called **RIU Plaza**. At present, **RIU Hotels & Resorts** has 96 hotels in 20 countries which last year welcomed more than 6 million guests and in which a total of 34,215 employees work. RIU is currently the world's 33rd ranked chain, the second largest in Spain in terms of revenue and the fourth largest in number of rooms.
